Customer Printed Name

Called "USER" and the TRIMBLE COUNTY WATER DISTRICT NO.1, herein after called "SUPPLIER" that whereas the User desires to purchase water from the Supplier. The User hereby enters into this service contract as required by the Supplier. Now, therefore, in consideration of the mutual covenants, promises and agreements herein contained, it is hereby understood and agreed by the parties hereto as follows:

SECTION 1. The Supplier shall furnish, subject to the limitations set out in its rules, regulations and tariffs now in force or as duly and legally supplemented, amended, or changed, such quantity of water as the user may desire in connection with the property to be served by this agreement as listed above.

SECTION 2. The User agrees to comply with and be bound by the rules, regulations, and tariffs now in force or as hereafter duly and legally supplemented, amended, or change. The User agrees to pay for water at such rates, time, and place as shall be determined by the Supplier, and agrees to the imposition of such penalties for non-compliance as set out in the Supplier's rules, regulations, and tariffs now in force or as hereafter duly and legally supplemented, amended, or changed.

The User agrees to pay the Supplier a Deposit of \$63.00 as set out in the Supplier's approved tariff.  
The User agrees to pay a non-refundable Connect Fee of \$45.00 for service to the Supplier.

The User installs and maintains, at his/her own expense, the service line that begins at the meter and extends to the dwelling or place of use. The User shall install, at his/her own expense, a cut off valve to be located after the meter. The Users failure to pay water charges duly imposed shall result in the automatic imposition of penalties as set out in the Supplier's approved tariff. Penalties shall include, but not limited to, a late payment penalty charge, termination of service, and a reconnection fee.

SECTION 3. The Supplier reserves the right to determine the size of service connection to be used to supply water to the User. A 5/8" X 3/4" meter will be the standard meter used. If a User contracts for a larger meter, the User agrees to pay the actual cost of materials and labor for the installation of such a meter.

The Supplier shall determine the location of the water meter on the property and such location will not be more than fifty (50) feet from the main. The Supplier purchases and installs the water meter and other appurtenances thereof and has the exclusive right to use said water meter and/or other appurtenances. The Supplier's shall serve each individual residence or place of use with a separate meter, except for special circumstances which require approval if the Utility's Commissioners.

SECTION 4. The Supplier shall determine the allocation of water to the User in the event of a water shortage, and may shut off water to the User if such event occurs. The Supplier may shut off water to the User if the User allows a connection or extension to be made to his/her service line for the purpose of supplying water to another party. In the event the total water supply shall be insufficient to meet all the needs of the Users, or in the event there is a shortage of water, The Supplier must first satisfy all of the needs of all the Users for domestic purposes before supplying any water for livestock purposes and must satisfy all the needs of the Users for domestic and livestock purposes before supplying any water for garden or other purposes.

SECTION 5. The User agrees that no present or future source of water will be connected to any water lines served by the Supplier's water lines and User shall disconnect from his present water supply, well, or other source, prior to connecting to and switching to the Supplier's system and shall eliminate present or future cross-connections in his/her system.

SECTION 6. For new connections, the User agrees to pay the supplier the meter connection/tap-on fee of \$\_\_\_\_\_ as set out in the Supplier's approved tariff. If the meter to be installed is more than fifty (50) feet from the main, then the User also agrees to pay for the additional materials and labor cost associated with the longer connection.

For new connections, it is understood and agreed that the User will pay for service beginning on the date the meter setting is in place, regardless of whether the User meter has been installed, whether the User is connected to the system, or whether the User is utilizing any water from the system. The amount charged will depend upon any usage, but at no time be less than the minimum bill for twelve (12) months.
